

Africa's Agribusiness Moment Is Now

Africa's food market could reach \$1 trillion by 2030 — AgriConnect is helping countries turn that potential into jobs and growth.

THE POWER OF PURPOSE

The world's challenges are bigger than one project, one country, or even one World Bank Group. That's why we're pairing 80 years of experience with renewed focus. To move faster. Work smarter. With more partners. And to create jobs that empower people and grow economies.
